Brothers and Sisters in Christ,

I greet you in the season of the Easter Resurrection and the promised hope of a Saviour who provides for all our needs.

You would have learnt by now that the La Soufriere volcano in St. Vincent has erupted.

Please pray for our brothers and sisters who live in the island. The Government has ordered evacuation to the neighboring islands such as Barbados Antigua and St. Lucia, and we pray for cooperation from their neighbors and protection for them as they are forced to leave their homes.

Many persons are also housed in shelters in St. Vincent and the Church is doing all they can to assist. We pray especially for the elderly, the sick and the children, and we pray that no lives will be lost.

We think especially of our Ministers who are Vincentian and whose families are still there: Revd. Michael Llewelyn, Revd. Curt Baker, Revd. W.B Alexander. Revd. Dr. Alison Iton also has relatives in St. Vincent. There are also two Ministers in Training from St Vincent: Jerand and Chelcia Phillips.

We pray for the safety of their families and send them our love and encouragement.
